DANCE SAFE PLAN

LOBBY IS CLOSED

For the time being, our lobby will be closed except to parents of pre-school age children. Please use our circular drive for drop off and pick up.

FACE MASKS

Face Masks will **NOT** be required while students are taking classes however, we ask that dancers waiting in common areas wear a mask. Common areas include: Lobby, Hallways, Dancer's Lounge

STUDIO CLEANING PROCEDURES

The studio will be cleaned and sanitized each day before opening and again on Sundays. Bathrooms will be re-cleaned at the top of every hour. Any equipment used for class such as ballet barres and acro mats will be disinfected before use. Once dancers have entered the studio, hand sanitizer will be distributed by the instructor.

MAKE-UP CLASSES FOR SICK DANCERS

Please do not send your dancer to class if they are feeling ill. Notify the office if your dancer will miss class and we can provide makeup class options for when your dancer returns.

FAQ RELATED TO COVID-19

Q: If the studio is forced to shut down, will we have classes via Zoom?

A: No, we will not have classes via Zoom if the studio is forced to shut down due to government mandate. We have designated the full month of May as our make-up month for classes if we should need it.

Q: Will we have a Showcase if Julie Rogers Theater is shut down in April/May OR imposes restrictions on large group gatherings?

A: We WILL have a Showcase to close out our season. If Julie Rogers Theater is closed, another venue will be reserved or we will try to reschedule our show dates at Julie Rogers. If Julie Rogers Theater is open but imposes restrictions on large group gatherings, we will split our show into smaller “mini” shows so that we can limit and spread out audience members.

NOTE ABOUT SHOWCASE COSTUMES AND DATES

Because of the uncertainty going into this new season, some issues need to be addressed regarding costumes and our Spring Showcase. The costume payment due date was pushed back to December 1st (instead of the usual Nov. 1st) so that we have a better idea of the Covid situation and how it might affect our Spring Showcase BEFORE costumes are ordered. If there are any doubts at that point, we may push the costume payment due date out a little farther and you would be notified ahead of time.

As far as our Spring Showcase goes, please understand that if the theater closes, we will have to move to alternate plans, such as rescheduled dates and/or a different venue. We may also have to split the show up into smaller “mini” shows so that we can limit audience members and practice social distancing. Any changes that we are forced to make will be communicated to you as soon as we have the information. Your patience and understanding are very much appreciated as we navigate through this season.
